### **Traditions and Transitions 2022 with Cindy and Vaune**

**August 19-21, 2022 OR August 15-17**

**Bonus Class is Thursday, August 18th and Sew Day is Monday, August 22nd**

This breezy sundress gives comfort and style on the warmest days! Liberty of London fabric, Petersham grosgrain ribbon, and floche are the ingredients of this couture confection. The embroidered bodice gives the front of the dress a subtle simplicity. The darling details of the back straps are what makes this dress a standout. A loop is sewn into each shoulder and a Petersham ribbon strap is linked through the loop and anchored to the back bodice. As on the front, embroidered flowers detail the bottom, too.

2022 is the year for ruffles and sublime fabrics in unexpected places. This sassy, lightweight, solid-color windbreaker trimmed with Liberty print ruffles; a coordinating, patterned lining; and a colorful zipper is right on trend and simply ideal for cool days and evenings. Comfortable as well as fashionable, it's perfect for pairing with Vaune's sundress as well as for everyday wear with shorts, pants, or skirts. As an added perk, a pattern for a cute pair of shorts is among the kit materials; its construction, however, is not part of the class

This year our T&T Retreat will offer sessions on two dates as stated below. As alums, you are receiving a chance to pre-register for the session of your choice. Once your spot is reserved, you will not be able to change dates unless there is room in the other class. We are offering you this pre-registration opportunity until April 20th. If spaces are available after that date, registration will be opened to the new students on the waiting list. The Bonus Day Class starts with creating an embroidered ribbon band for the sweet straw hat included in the class kit and continues with making an adorable coordinating little purse.
